

1. If your teacher is not there when you arrive in the "class", wait 15 minutes prior to logging out.
2. Teachers might record the sessions and chats.
3. Be sure that you join your ZOOM class using your name (first and last).
4. Your iPad should also be appropriately named - first name last name, first initial, last name, etc.
5. Do not be a distraction to others, be respectful and courteous.
6. Ask questions! If something is not clear, politely ask for clarification. You can privately ask a question, ask it in a group setting, or email your teacher directly. Questions are welcome.
7. Please think before you write.
8. Know when to mute your microphone. If you must eat, drink, cough, blow your nose, etc., please mute your microphone.
9. Please let your teacher or me know if you are having difficulty. We are all here to help.
