

Please watch the video on what you need to do with your iPad to make sure you are ready for distance learning. PLEASE be sure that your iPad is updated to 13.3.1 and that you are backing up to iCloud. Please also make sure that Notability is backing up to Google Drive. This is EXTREMELY important right now.

PLEASE RESTART YOUR IPAD EVERY SINGLE DAY.

Instructions on how to check to see if your iPad is backing up to iCloud and if Notability is backing up to Google Drive are included in the YouTube video iPad Checkup below. There are also separate tutorial pages for each of these topics on the left side of this page.
